

# Understanding Budgets

## What You'll Learn

1. Explain how a checking account can help with budgeting
2. Identify where to open a checking account
3. Compare product return policies at a local store

## Talk about It

### Ask your child:

- How do you keep track of your money?
- Do you keep receipts? Why or why not?
- How can I help you keep track of your money better?

My Notes:

Visit [www.bankit.com](http://www.bankit.com) for more information on making positive money choices.
