

# How Families Spend Money

## What You'll Learn

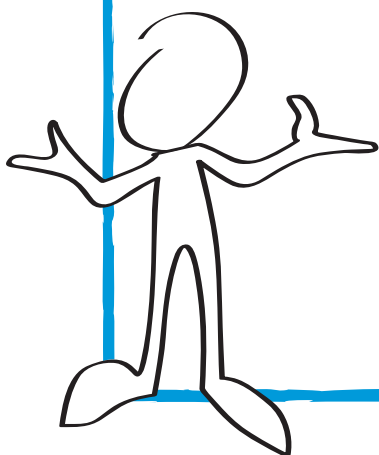

1. Identify how money experts classify expenses
2. Name the largest household expense for most families
3. Distinguish what makes a debit card unique

## Talk about It

Ask your child:

- What do you spend your money on?
- How quickly do you spend your money? Why?
- What do you think of the way our family spends money?

My Notes:

Visit [www.bankit.com](http://www.bankit.com) for more information on making positive money choices.
