

# Your Credit Score and Your Credit Report

## What You'll Learn

1. What a credit score is
2. An example of what makes up a credit score
3. Information included in a credit report

## Talk About It

### Ask your teenager:

- What do you know about credit scores?
- What do you know about credit reports?
- What kind of credit score do you want to get as an adult?

My Notes:

Visit [www.bankit.com](http://www.bankit.com) for more information on making positive money choices.
