## What Kids Need to Succeed

- 1. Developmental Assets are experiences and qualities that help kids become caring, responsible adults.
- 2. Developmental Assets help kids succeed.
- 3. Developmental Assets help kids make positive money choices.

#### Talk about It

#### Ask your parents:

- How do you want me to succeed?
- In what ways do you succeed?
- What are important things I need to do in order to succeed with my money?

### Do It

- Download the free list of the 40 Developmental Assets from http://www.bankit.com/ parents/live-well. Post the list somewhere in your home.
- Circle two of three Developmental Assets you want to focus on building at first. Then expand to other Developmental Assets.
- Ask your parents who can support you to succeed at school and with your money.
