

Protect Well

Health and Life Insurance

What You'll Learn

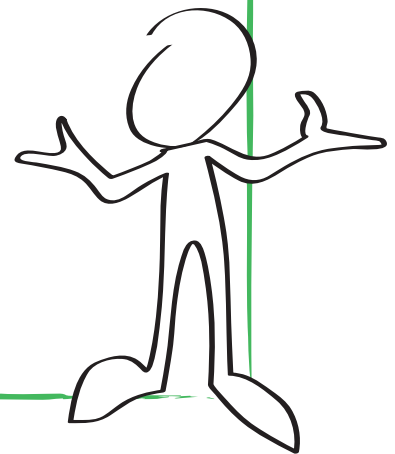

1. What life insurance is
2. What health insurance is
3. Why people need health insurance

Talk About It

Ask your parents:

- What kind of health insurance does our family have?
- What would happen to me if something happened to you?
- How do you protect us with insurance?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
