

# Exploring Jobs and Careers

## What You'll Learn

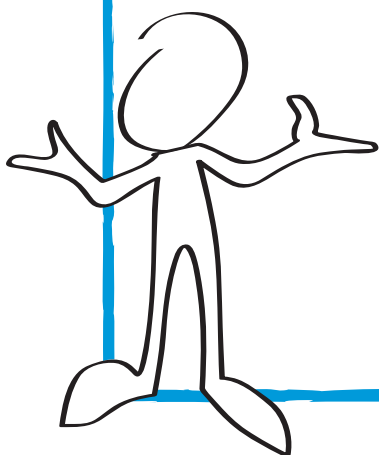

1. How education can affect lifetime income
2. How an individual's interests can affect career and job choices
3. About a career related to a topic of interest

## Talk about It

### Ask your child:

- What do you hear about jobs from the adults around you?
- Which interests do you have? What excites you?
- Which careers are you interested in? Why?
