

What Your Child Needs to Succeed

What You'll Learn

1. Name an advantage of having Developmental Assets.
2. Identify the Developmental Assets most children have.
3. Describe how Developmental Assets help kids make positive money choices.

Talk about It

Ask your child:

- How do you want to succeed at school?
- How do you want to succeed with your money?
- How can I support you so that you succeed?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
