

Investing in Stocks and Bonds

What You'll Learn

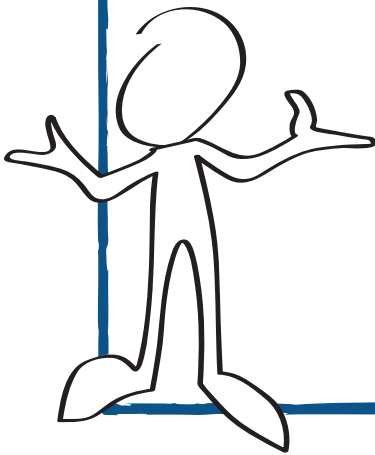

1. What a bond is
2. How stocks and bonds differ
3. The benefits of a diversified portfolio

Talk About It

Ask your teenager:

- What do you think of stocks?
- What do you think of bonds?
- What do you think of investing in stocks as an adult? In bonds?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
