Welcome and Overview

What is Bank It?

Bank It delivers real-world topics and tools to help you:

- Understand,
- Talk about, and
- Manage your money.

From Capital One and Search Institute

1-MO-PT

Welcome and Overview

Three goals for today:

1. Explain how we can show love and care by the way we use our money.
2. List at least two reasons to talk with family members about money.
3. Explain how the Developmental Assets can help your kids use their money well.

Present

How can the Developmental Assets
help your teenagers succeed
with their money?

1-MO-PT

Discuss

Turn to talk to someone near you.

1. Say your first name.
2. Which aspect of money is hardest to talk about with your kids? Why?

1-MO-
PT

Review and Evaluate

How might we use money to deal with an emotion?

- Shopping when we feel down.
- Withholding money from other people when we're angry.
- Going out to eat to celebrate something.
- Buying an iPod because we're jealous of a friend who has one.

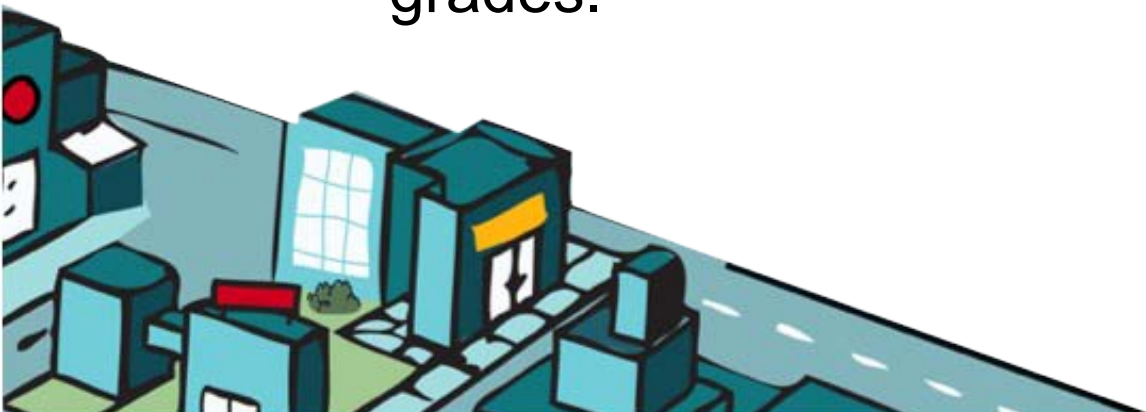

1-MO-PT

Review and Evaluate

How might we show our love and care by the way we use our money?

- Giving money to people we care about so they can buy something special.
- Giving a gift.
- Giving money to kids when they act in ways that we want them to act, such as getting high grades.

1-MO-PT

Review and Evaluate

What are some reasons to talk with family members about money?

- To talk about how we use money to deal with our emotions.
- To talk about how to make positive money choices.
- To become closer to our family by talking together about a subject that matters.

1-MO-
PT

Review and Evaluate

Who are family members we can talk to about money?

This varies by person. Examples could include:

- Parents
- Grandparents
- Aunts
- Uncles
- Friends
- Co-Workers

1-MO-PT

Review and Evaluate

What are the eight categories of Developmental Assets?

1. Support
2. Empowerment
3. Positive Values
4. Constructive Use of Time
5. Commitment to Learning
6. Boundaries and Expectations
7. Social Competencies
8. Positive Identity

Review and Evaluate

What is the ideal number of Developmental Assets each young person should have in order to succeed?

31 to 40 Developmental Assets

Source: Search Institute

1-MO-
PT

Review and Evaluate

How can the Developmental Assets help your kids succeed with their money?

1. They will be more likely to make positive money choices, such as saving money.
2. They are more likely to avoid poor money choices, such as gambling.
3. They are more likely to succeed in all areas of their life.
