

# Protecting Your Health and Your Life

## What You'll Learn

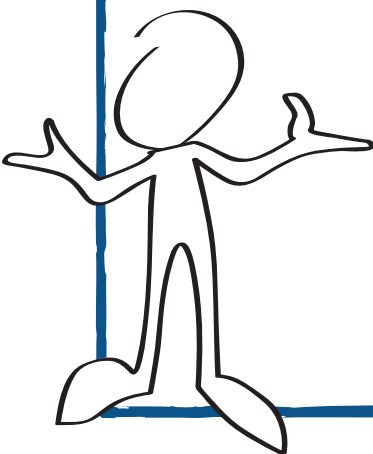

1. What health insurance is
2. Examples of what health insurance may cover
3. What life insurance is

## Talk About It

### Ask your teenager:

- Do you ever decide not to tell me that you feel sick because of our health insurance? Why or why not?
- Do you ever worry that something could happen to us?
- How do we help you feel safe?
