

Exploring Work That Fits You

What You'll Learn

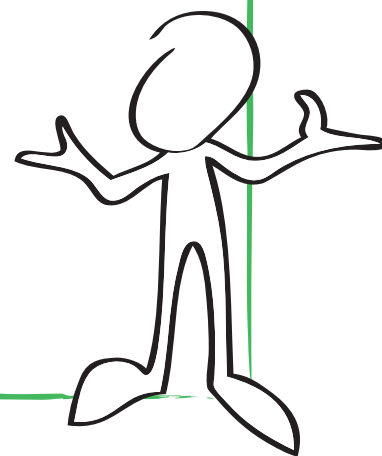

1. What a career is
2. What affects a person's career and job choices
3. How education can affect lifetime income

Talk About It

Ask your parents:

- Which jobs have you had so far?
- Which job has been a career for you? Why?
- Where can I learn more about careers?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
