

Your Dreams, Your Financial Plan

What You'll Learn

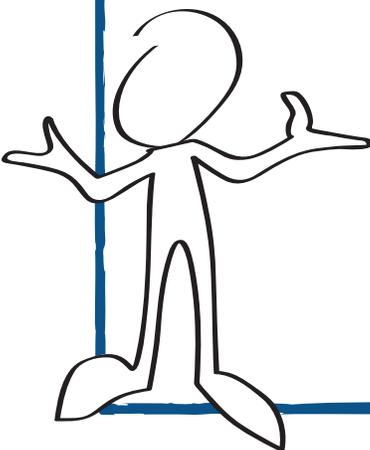

1. Examples of what may be included in a personal financial plan
2. What a net worth statement is
3. How a personal financial plan can help you pursue your dreams

Talk About It

Ask your teenager:

- What kind of financial plan would help you most?
- How can I help you create a financial plan?
- How can I support you in working toward your financial plan?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
